

Follow up to the Saturday 28th February Meeting in the Emmanuel Centre Westminster

The Facilitating Group met on **Tuesday 3 March 2009** in London to seek the Lord for the next step forward. We give thanks to God for his faithfulness and his presence with us and the large gathering at the Emmanuel Centre on Saturday 28th February. As we reviewed what happened on Saturday we were increasingly aware of the importance of the meeting and any follow-up. Clearly God was active in the meeting moving us to recognise the woeful state of our nation; and to personal and corporate repentance. The Facilitating Group is greatly aware of the holiness of God and the awesomeness of the task facing us all if we are to be used by God for his purposes in these challenging days. We were reminded that when King David moved the Ark on an ox cart instead of having it carried by the priests in the prescribed manner a man lost his life.

We believe that God is doing something new in Britain and we must allow him to lead. We must not try to do his work for him. We also believe that the Lord wants us to bring together a small group of Christian leaders for us to counsel together in the light of the understanding we have as to his will and purpose for the church in the midst of the shaking.

Before that can take place it is vital that we have made every effort to know what God is saying through the Body. We believe that God communicates to his people through the corporate witness of those who have learned to wait upon the Lord (Psalm 25.14; Isaiah 50.4; John 16.13).

We are still in the process of weighing what God has said and in this we need your help. We know that there were many prayer meetings taking place on 28th February or around that date. If you have any word from God from one of those meetings please send it to ***jackie.warren@candministries***

The next meeting of the Facilitating Group is on **Friday 27 March**, but members of the group will be in regular contact with each other prior to that meeting. We are so grateful to you for joining us in prayer for our nation and sharing with us. Please continue to have us in your prayers as together we seek the Lord for the way ahead. .
